

Wizard of Oz Crew:

Please note some categories are split into groups for Friday and Saturday nights. Also, please arrive prepared to be flexible. If your job gets done and someone else still needs help please step up and help. As with any production, people are depending on you so if you are unable to keep your commitment please call Renee or Christy so that arrangements can be made. Be sure that you read all the way through this list as you may be assigned in more than one place. Thank you to our entire crew of parent volunteers because without you this production could not have been pulled off!
